Project	Rewire
Department/Section	Children, Young People and Families
Contracted Part-time Post	12 hours a week, 39 weeks of the year (includes weekend work)
Duration	2-year contract
Salary	£12ph
Delivery Location	Sandwell
Main purposes of job	<p>To support the development and implementation of therapeutic nature-based interventions, responding to the needs of children and young people referred into the Rewire provision, working in partnership with families and other community, educational and voluntary bodies within the Sandwell borough.</p>
Key tasks/Core Job Requirements.	<ul style="list-style-type: none">• To assess the needs of the children and young people engaging in the project.• To plan, implement and review programmes for children/young people based on an assessment of their individual and group needs.• To work with children/young people/carers/families in a variety of ways, alongside other Rewire project facilitators.• Ensure high standards of project delivery and engagement.• To liaise effectively with families and other statutory, community and voluntary bodies, contributing to reviews and case conferences as required.• To work in partnership with other Breathing Space services to best meet the needs of children and young people by collaborating resources with planned interventions targeting groups/families of shared need.• To keep regular records in relation to all aspects of work.

- To be vigilant for signs of physical, sexual, and emotional abuse, neglect, and any concerns regarding the welfare of children. To record concerns promptly and accurately. To consult with the Designated Safeguarding Lead and take appropriate action in accordance with Breathing Space Safeguarding policy.
- To identify and document to line manager any unmet needs of children/young people within the service and to participate in the advocacy work of the service.

Requirements specific to this role

- To have a good knowledge and awareness of how to incorporate nature, heritage, and conservation as a tool of engagement.
- To support delivery of integrated service responses in partnership with other agencies/organisations working to meet the needs of the children, young people and families referred into the service.
- To promote and advocate on behalf of the target group in order to minimise stigma and exclusion within the local community.

Requirements of all Breathing Space staff

- Commitment to the purpose of Breathing Space and to work within the values, policies, and procedures of the organisation and in the context of current legislation and regulations.
- To participate in regular supervision with your line manager.
- To actively participate in team and staff meetings and service reviews/ evaluations and to contribute to the development of policy and practice with your area of work and within Breathing Space as a whole
- To report any area of concern to your line manager in a timely manner.
- To show reasonable flexibility in relation to hours of attendance to meet the needs of the work. Work during unsocial hours may be required.
- Have a flexible approach to the work in response to organisational change, development, and review of best practice.
- Participate in and engage with a performance management programme.
- Identify training needs with your line manager and participate in training opportunities appropriate to the role.

- To be vigilant to any Health, Safety and Welfare risks in the workplace and bring any concerns to the attention of your line manager or Health & Safety Officer.
- To be vigilant to any concerns regarding the protection and welfare of children and to bring them to the attention of the Breathing Space Designated Safeguarding Lead in a timely manner, in keeping with the Breathing Space Child Protection Policies.
- To participate in the efficient flow of information within the organisation by sharing and seeking information as appropriate
- To undertake other duties as may be requested by the line manager from time to time
- To undertake your work in a manner that is friendly, flexible, and informal
